Officers

Charles Sorber, Interim President, Chair

Responsibilities

- Communicate information.
- Consider institutional issues and policies.
- Clarify University-wide goals and objectives.
- Provide final administrative review of proposed changes or additions to University policies that are submitted to the President.

Composition and Terms of Membership

The composition of the PC is determined by the President, who appoints the divisional vice presidents, other administrative personnel reporting to the President, and additional University representatives identified by the President. The President may select an executive committee from the membership of the PC.

Reporting

The President's Council reports to the President.
